NOTICE TO THE PUBLIC

As the many members and well wishers of the Prahran Mechanics' Institute (PMI) are aware, PMI has found it necessary to serve notice on the Minister for Education and subsequently on the Minister responsible for Technical and Further Education requiring the remedy of a series of breaches by the tenant of a lease dated 29 May 1947 of Premises being parts of Crown Allotment A of Portion 57, City and Parish of Prahran, County of Bourke and being the land described in Certificates of Title, Volume 1977 Folio 395275 and Volume 3699 Folio 739623.

PMI is happy to advise that parties involved in the matter have now intimated their agreement to the matters in dispute being submitted to a mediation process to commence at the earliest available date.

As a consequence, PMI has been requested and has agreed to give its undertaking that it will not seek to re-enter the premises without providing 14 days written notice of its intention so to do. That undertaking has been given for the purpose of enabling the mediation process to operate to its best effect.

Thank you to all those members and well wishers who took time to write letters of support and to sign our campaign petition.

Mr Alf Lazer, AM
President
